Who are we ?

Our History

Launched in Dubai in 2005.

Our Leadership

Managed by a team of qualified and experienced professionals who together share a profound love for design, entrepreneurship, value creation and innovation. Using 'design' as a language of communication, and led by strong principles of management and business ethics, Artisans hopes to create experiences and build relationships with its customers and partners like, that are above and beyond the ordinary.

Our Philosophy

We adopt a 'people-centric' approach with our work. People matter; our customers, team, partners as well as the people who we create the spaces for.

Our Process

Our process is rigorous, yet, very simple. We sit down with our clients, listen to their requirements, try and understand their needs and work collaboratively with them to come up with a product or a solution that best satisfy their need to make a new reality for them. Customer satisfaction is paramount to the ethos of our business and we go the extra mile to create that. We'd like to think that we are a bunch of good & honest people to work with!

Our Mission

To provide exemplary customer service to our clients combined with a specialist product range for commercial, educational, residential and public sectors.

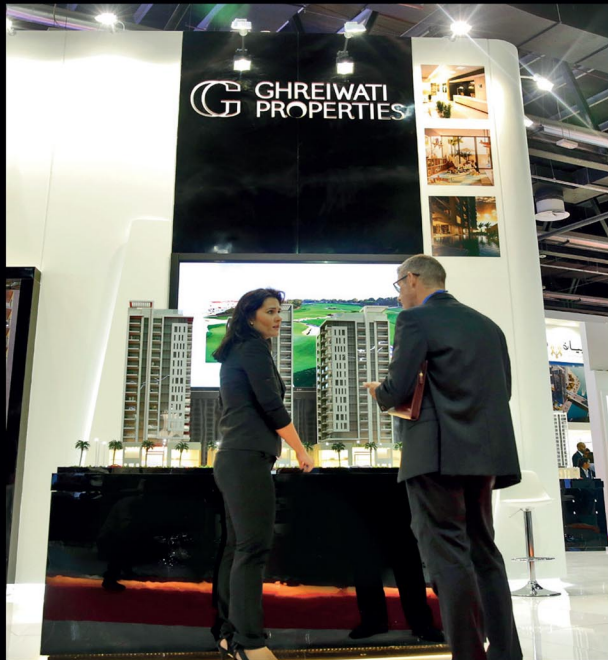

“ We strive to innovate,
develop,diversify...”

Our Core Values

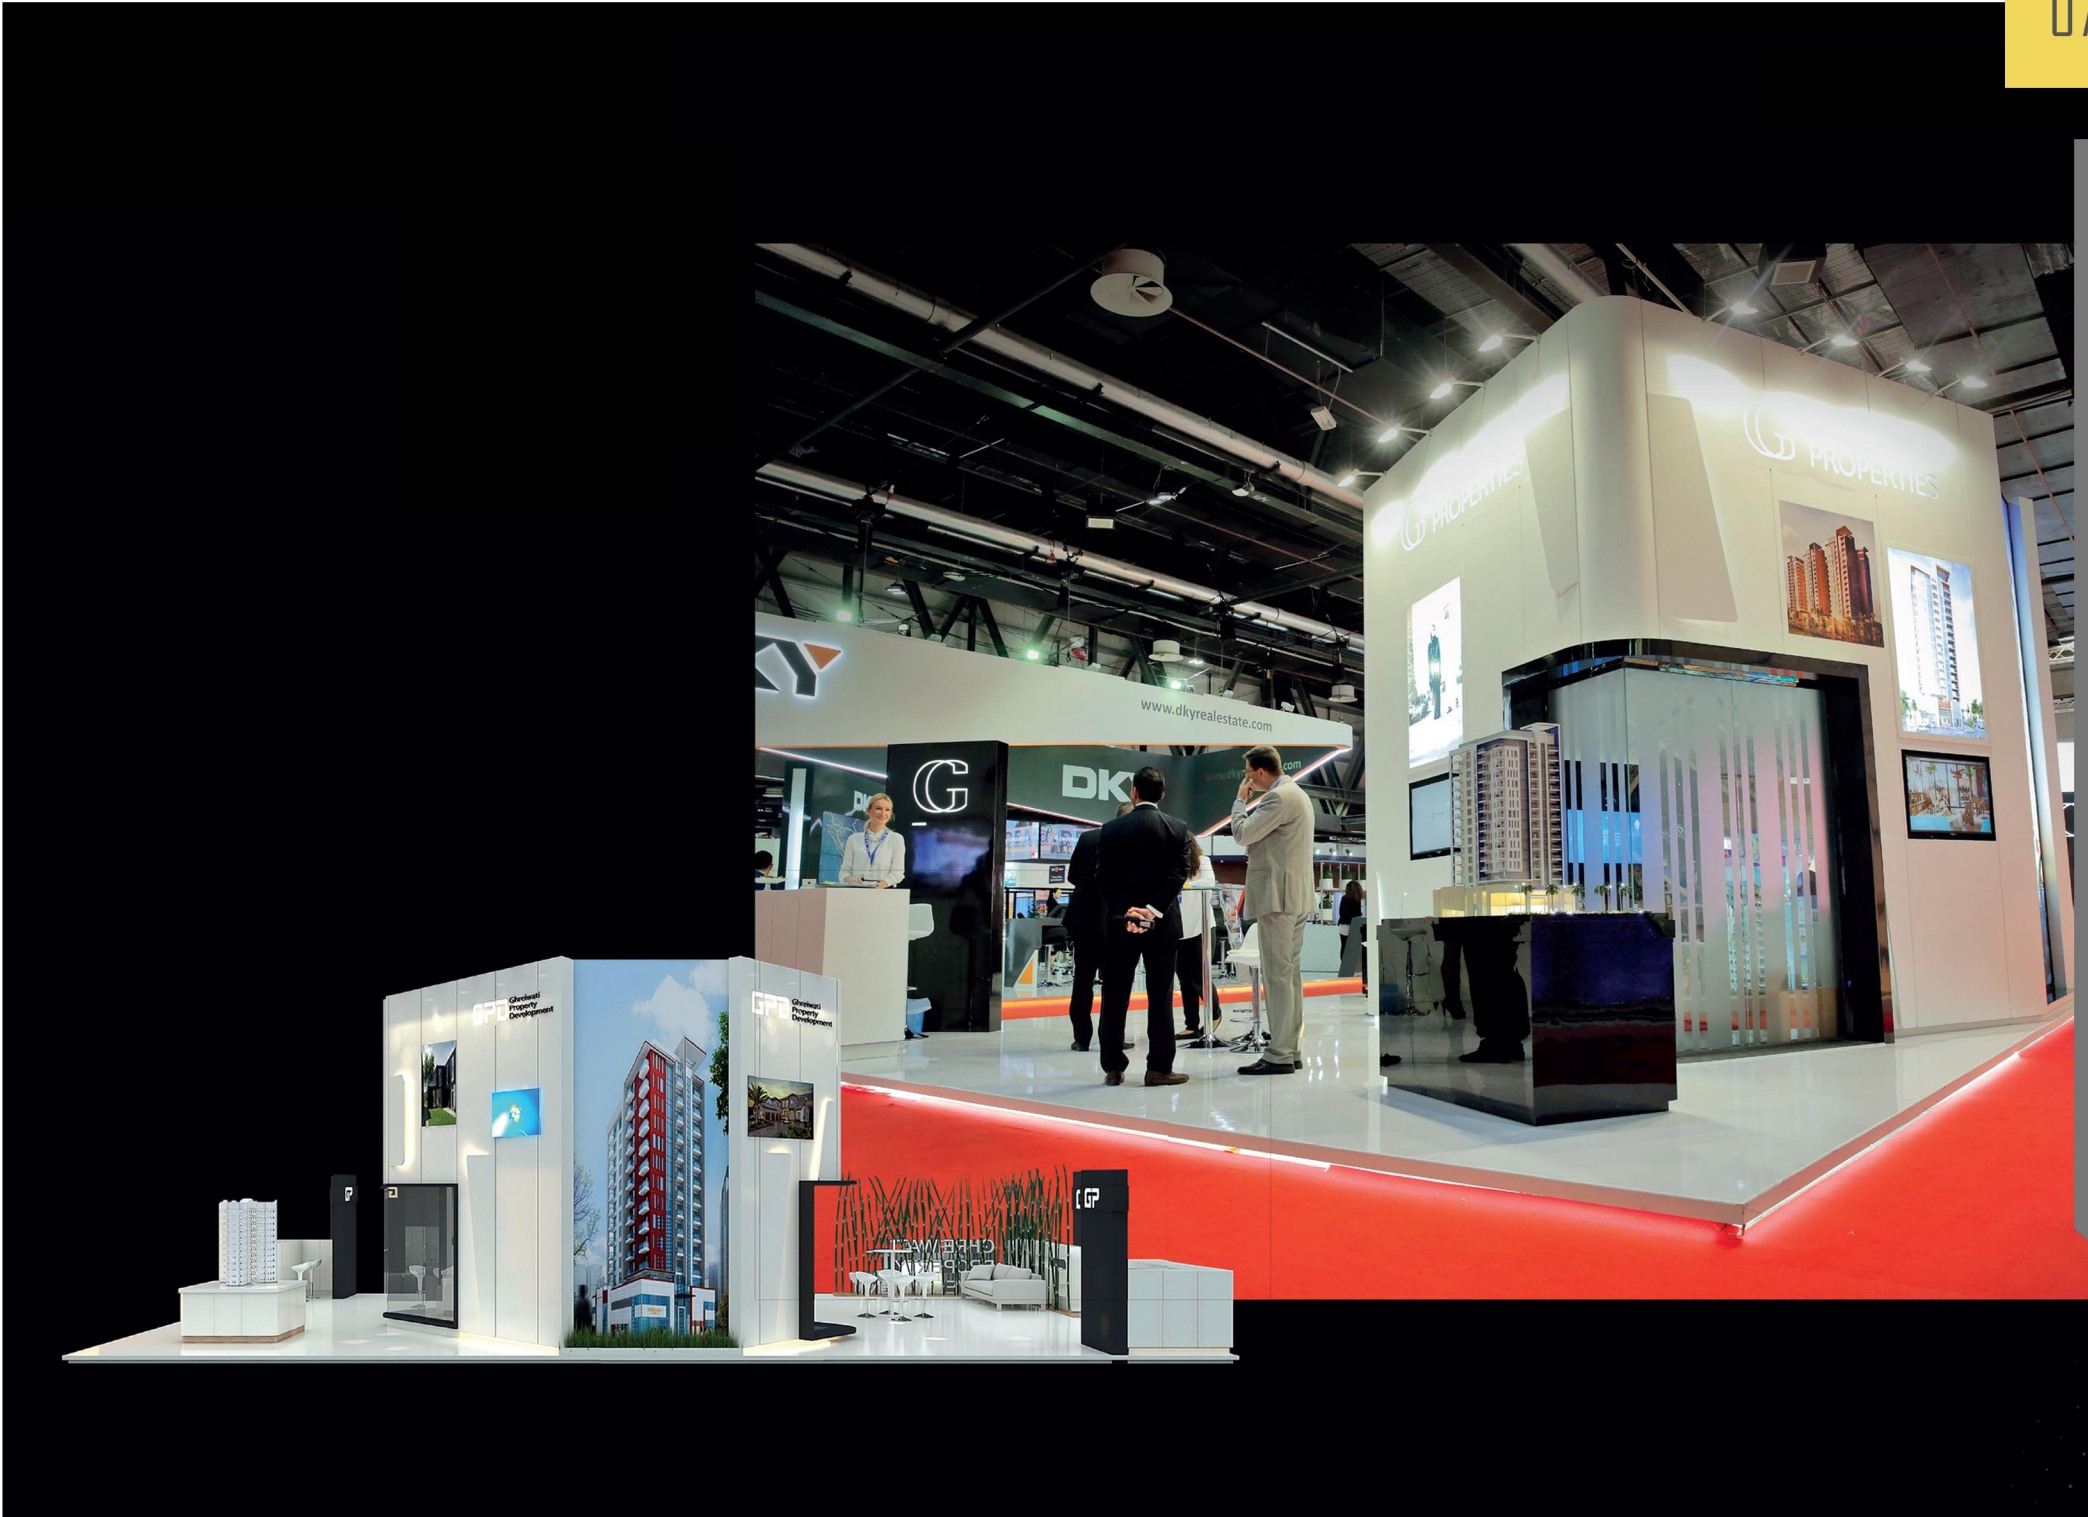

- Quality
- Responsiveness
- Politeness
- Integrity
- Customer satisfaction
- Honesty

Business Solutions

We believe that forward-thinking and progressive companies are always looking for ways to motivate their employees, increase staff retention, reduce staff absenteeism and maximize productivity.

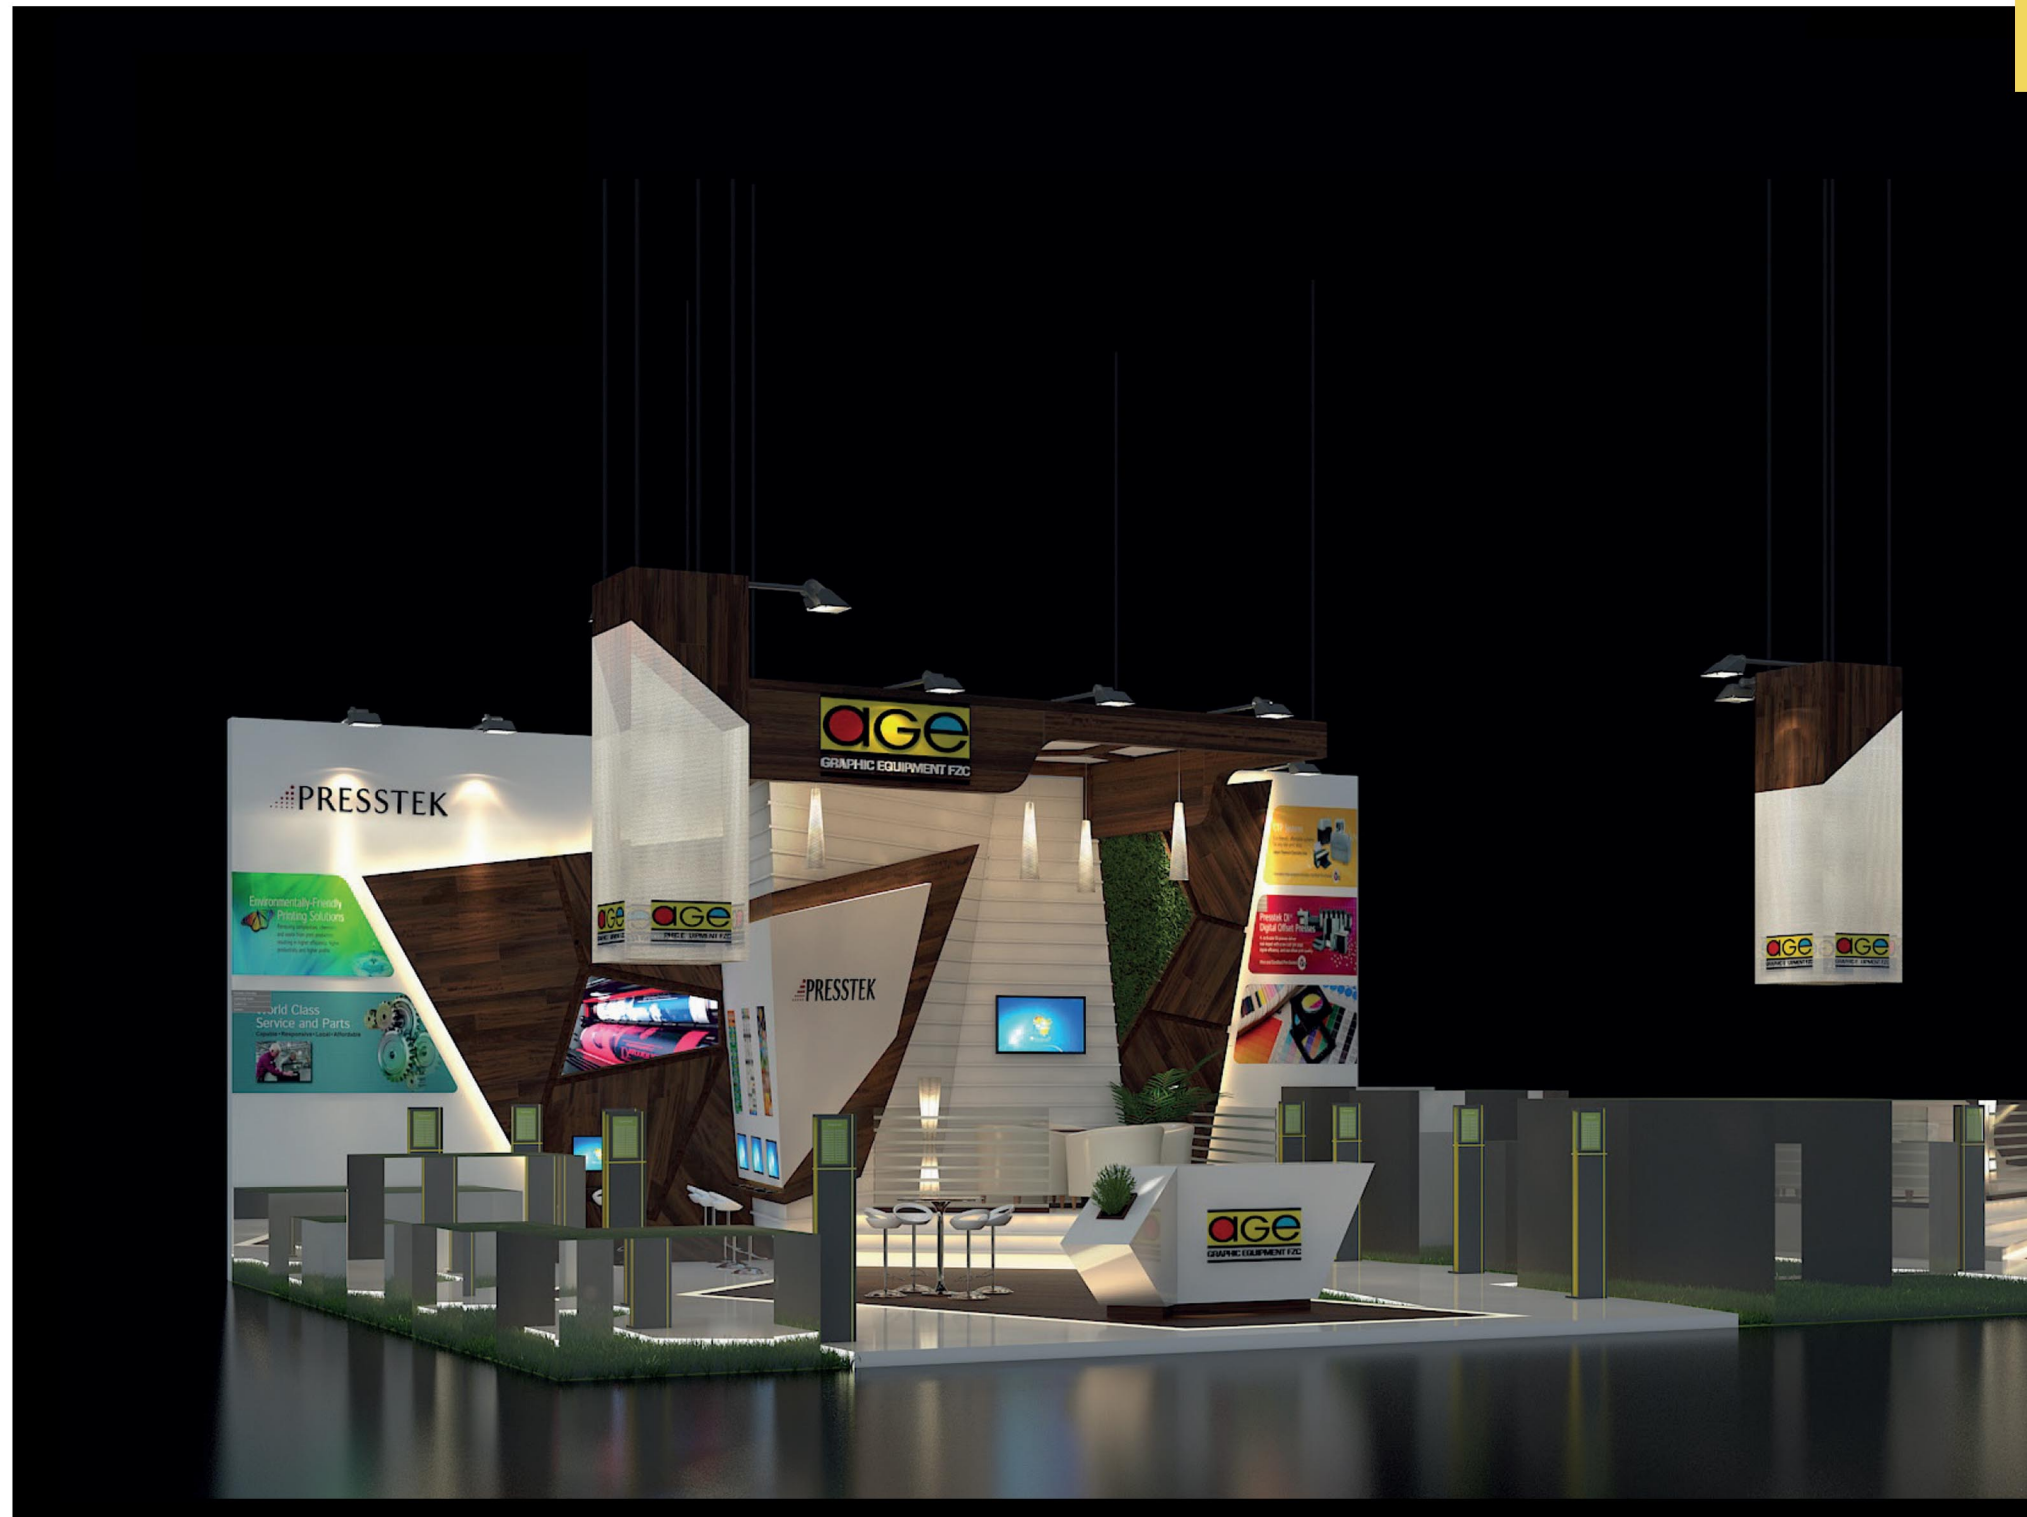

These companies are always looking at ways of creating cost saving efficiencies, providing a better working environment for their staff, with enhanced and more effective inter-office communications, and improved space efficiency.

Our Approach

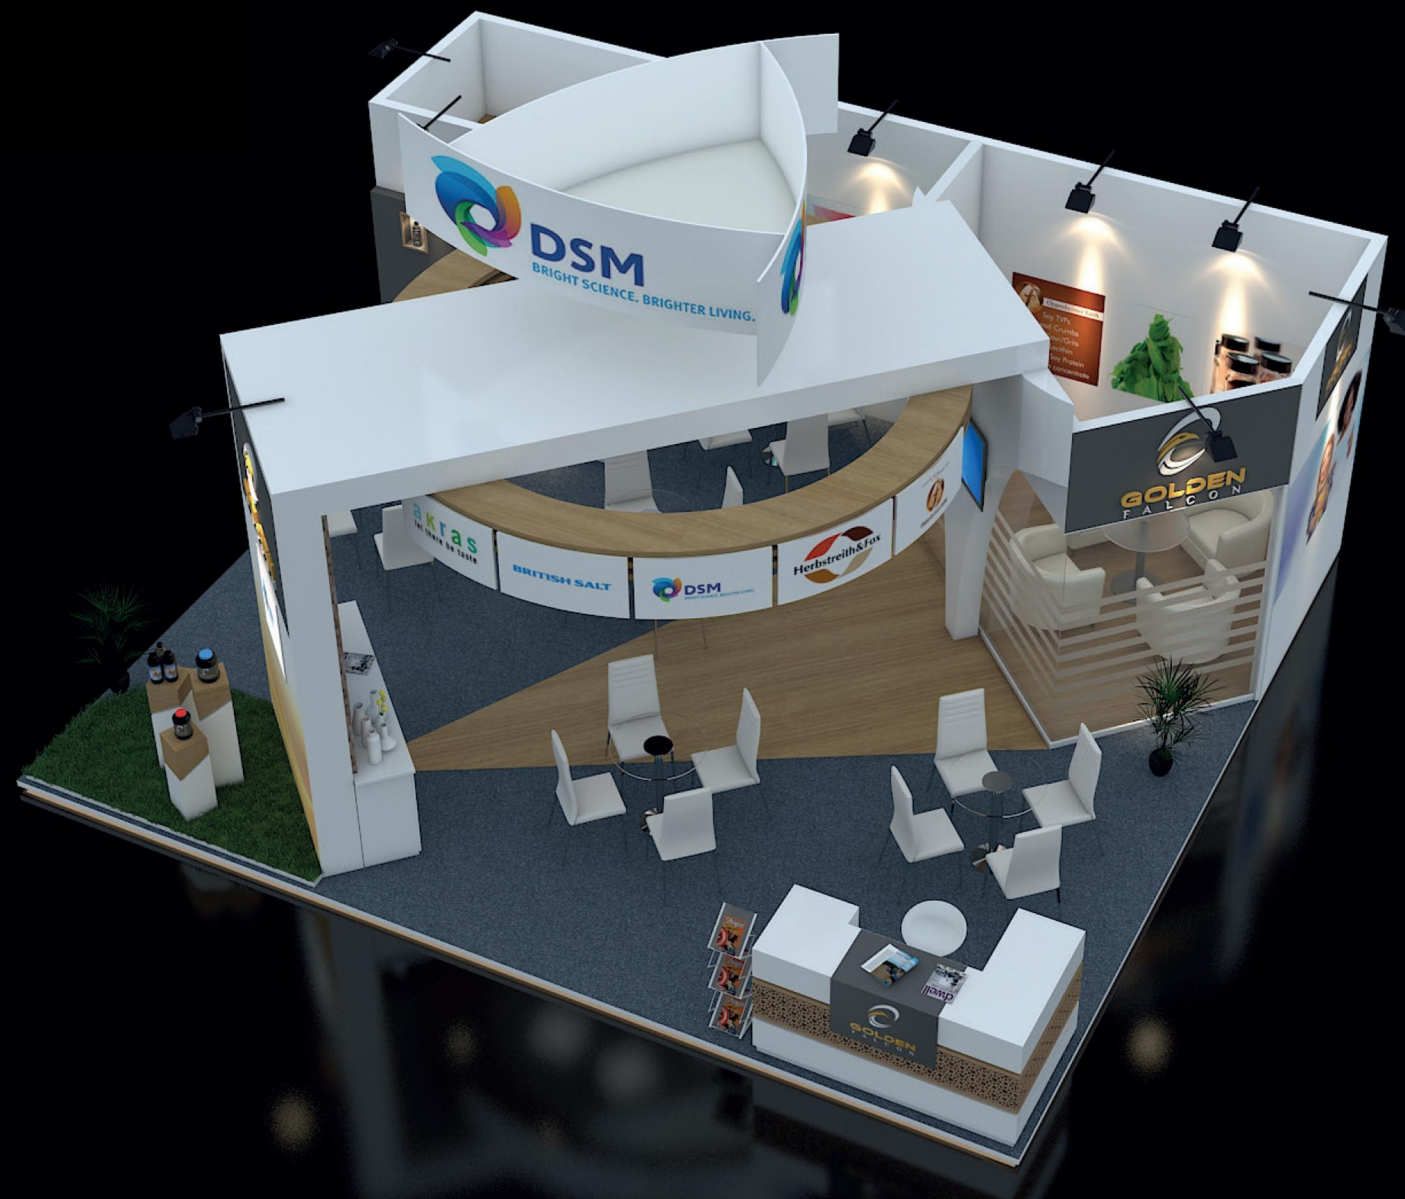

We listen to your requirements carefully. Our aim is to rethink, redesign and restructure your office environment so that it meets your ever changing needs for growth and progression. We strive to innovate, develop, diversify and advance our products and services constantly so we can ensure that we provide you with the best solution to suit your business needs.

Once your needs have been defined, our wealth of industry knowledge and experience will be focused entirely on you. We will provide you with a full assistance from start through to the end of the project making it a hassle-free and enjoyable experience.

A Green Touch

We are committed to sustainability and believe in reducing our carbon footprint and preserving our natural resources wherever possible. This reduces waste and has minimal negative impact on the environment on a global and local level, the community and economy as well.
